CSULB BEACH Promise Pathways is a route to CSULB for students who have good potential for college success but whose GPA and test scores may not fully reflect that potential. LBUSD seniors who are CSU eligible and who have an Eligibility Index between 2900 and 3200 will be invited apply to CSULB’s new BEACH Promise Pathways. Applicants who have overcome significant hardship; have had limited family income; demonstrate strong community involvement and leadership; and who have a high potential for success will be considered. Interested students will be invited to submit a supplemental application for a holistic admission review.

3. Long Beach City College’s (LBCC) Pathways Transfer Program (a partnership with CSULB)

LBUSD seniors who are CSU eligible and but who are not admitted through either of the pathways above will be guaranteed admission to Long Beach City College’s Pathways Program.
